If you are coming from the Hull direction, ignore the suggested right hand turns until you come to Ottringham, then follow the directions below.

These instructions start from the A1033, the Hull to Withernsea road.

Coming from the Hull direction ie from the west:

Follow the signs to Hedon and then towards Withernsea until you reach Ottringham. Look for the White Horse Inn on the left and take the right hand turn opposite, signposted to Sunk Island.

Coming from Withernsea ie from the east:

At Ottringham, ignore the first couple of signs for Sunk Island. You'll pass Ottringham Garage on the right and almost immediately you need to turn left, opposite the White Horse Inn. signposted to Sunk Island.

Stay on this road for about 3.7 miles until you get to the Sunk Island crossroads (old brick church on left, old school house and red telephone box on right). Turn right (signposted Stone Creek).

Follow this road for another 2.1 miles (nice and wiggley). At the end of the road you'll see Stone Creek Barn on the left, then our house (Stone Creek House - brick built, usually with a small boat/caravan/all sorts in the yard between the house and the barn). If you go past our house there's a barrier across the road, then a hump and then the Humber.

You've arrived and you're most welcome
