Parking: When you arrive please park well on to the grass verge on either side of the lane, rather than coming into the yard, so that traffic to the Boat Club has good access to the barrier, which is their entrance. The verges do not get soft when wet.

Coming from the Hull direction ie from the west:

Follow the A1033 from Hull, towards Withernsea, until you reach Ottringham. Look for Zara's on the left and take the right-hand turn opposite, signposted to Sunk Island.

Coming from the Withernsea direction ie from the east:

At Ottringham ignore the first couple of signs for Sunk Island. You'll pass Ottringham Garage on the right and almost immediately you need to turn left, opposite Zara's, signposted to Sunk Island

Stay on this road for about 3.7 miles until you get to the Sunk Island crossroads (old brick church on the left and the old School House on the right). Turn right just after the red telephone box, to Stone Creek.

If you put my postcode into a SatNav it will usually take you to Stone Creek Farm, which is a little way down the road you turn into here, on the right.

Follow this road for another 2.1 miles. At the end of the road you see Stone Creek Barn on the left, then my house, Stone Creek House. Stone Creek Studio is between the house and the Barn at the back of the yard.

If you go past my house there's a barrier across the road, then a hump and then the Humber.

You've arrived and you're most welcome!
